TO THE YEAR OF 1949

Greetings in our Lord Jesus.

I had for some years a desire, that some one of our relatives would write a brief history of our Grand Parents. But since this was not done. I have undertaken the task of compiling such a history and with the help of nephews and nieces we have thus compiled this record.

Giving dates of Births; Deaths and Marriages.

As nearly correct as was possible by those who have assisted in the work. Many thanks to all.

I trust as this record comes into your possession we may all more fully appreciate our heritage.

All families are numbered on the left hand side, the figures on the right hand side are for reference to parents. This book contains 677 families.

In the INDEX you will find an( M ) which indicates married. I realize there are many mistakes and for this I ask all to forgive me.

May it be the desire of every one to so live this life, that when these days of toil and turmoil are over, we may all meet together on that Golden Shore where parting will be no more. And be for ever with the Lord, is my prayer.
